Soil Test Order Form

The Soil Test is the cornerstone of the High Brix Garden Program. Why guess when you can know for sure? That is the guiding premise behind taking a soil test. Follow the steps outlined below to order your soil test.

Step 1 - Collect Soil Sample

Take a soil sample by digging a vertical hole in your garden to a depth of 6 inches. Take an even slice off the side from top to bottom with a clean spade that is not rusty. Place in a clean bucket that does not have any feed, salt, or fertilizer residues. Take several more samples like this in other areas of the garden. Mix all the soil together thoroughly in the bucket. After mixing, put 1 ½ cups into a plastic Ziploc baggie.

Note: If you have more than one sample to send in, please fill out a separate **Soil Test Order Form** with each test.

Step 2 - Contact & Garden Info

Name	Phone
Address	Cell
City, State, Zip	Fax
Garden Id	Email
Garden Size (in feet): Length: <input type="text"/> Width: <input type="text"/>	Area (multiply Length x Width): <input type="text"/>
Sample # <input type="text"/> Current Crop: <input type="text"/>	Next year's crop: <input type="text"/>

Step 3 - Choose Your Tests

- S-1 Soil Analysis with Recommendations \$50.00**
- S-2 Formazan - Microbial Activity & Soil Index \$22.00**
- S-3 Soil Analysis without Recommendations \$25.00
- S-4 Boron \$10.00**
- S-5 Standard Base Saturation / C.E.C. soil test \$18.00
- S-OP Sulphur \$10.00
- S-OP Organic Matter \$10.00

Note: The **Tests in Red** are highly recommended for the High Brix Garden Program. Please see info on Boron at <http://highbrixhome.com/soil-services.html>

Step 4 - Payment

You can send a check, money order, or cashier's check or you may provide credit card info below:

Credit Card Type:	Card Expiration:
Card Number:	Today's Date:
Signature:	

Step 5 - Send Your Sample

Print this page and mail with Soil Sample and Payment to:

International Ag Labs 800 W. Lake Ave., PO Box 788 Fairmont, MN 56031 507-235-6909

What's Next?

International Ag Labs will send you a **Soil Analysis Report** and a fertility **Recommendations Sheet**. High Brix Home has access to your soil test results should you choose to have us blend your annual broadcast.
